

PILOT PROJECT TO RESTRICT EVENING COMMUTER TRAFFIC IN SOUTH BELLEVUE

EAST LINK CONSTRUCTION NEIGHBORHOOD TRAFFIC MITIGATION

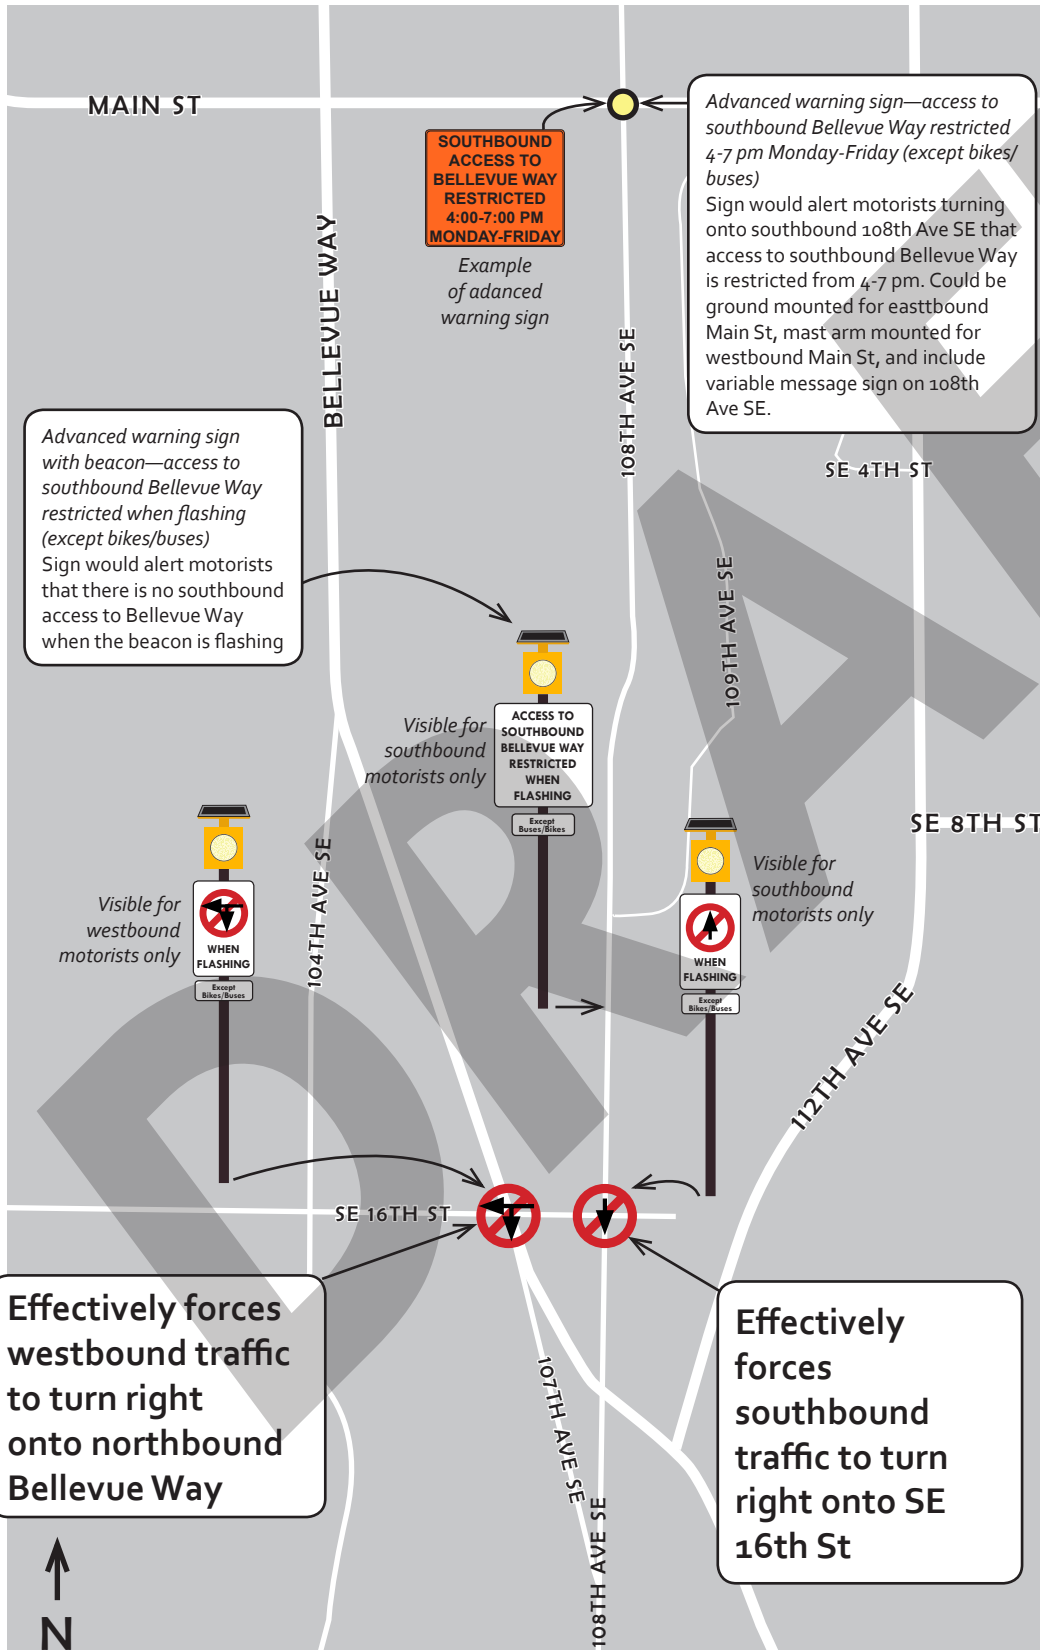

Pilot Features

This pilot project (3-month) would help discourage commuter traffic from using neighborhood streets to access Bellevue Way by restricting movement during the PM peak (4-7 pm, Monday-Friday). The pilot utilizes flashing beacons to call attention to the locations where turns are restricted.

Features of this pilot include:

- No access to 108th Ave SE south of SE 16th St from southbound 108th Ave SE through the use of a flashing beacon
- No access to southbound Bellevue Way or westbound SE 16th St from westbound SE 16th St at Bellevue Way through use of a flashing beacon
- Advanced warning of restrictions at Main St and 108th Ave SE through use of a sign
- Advanced warning of restriction for southbound 108th Ave SE traffic approximately 300' north of SE 16th St through the use of a flashing beacon
- Data collection during pilot project
- Community notification prior to implementation
- Community feedback after implementation

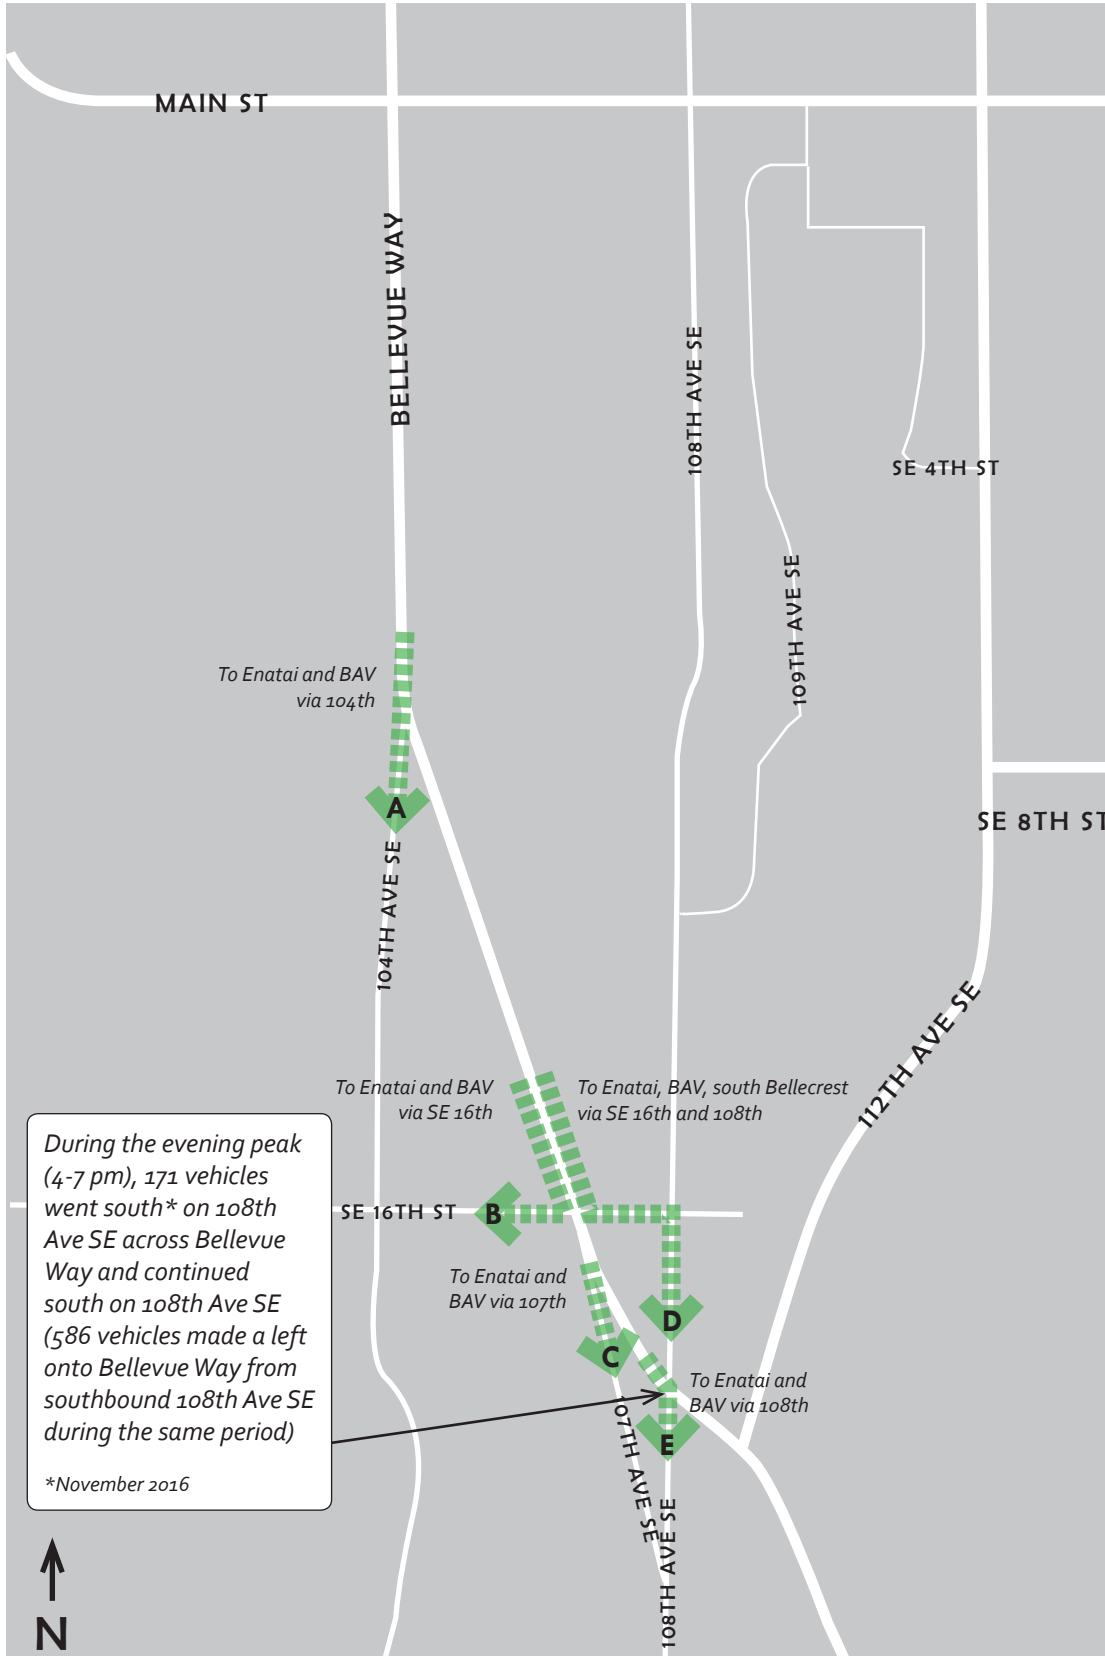

Implementation would occur following the closure of the South Bellevue Park and Ride.

ACCESSING YOUR HOME FROM DOWNTOWN BELLEVUE

How do I access my home in Bellecrest and Surrey Downs?

For the majority of residents, this pilot program will not change your ability to access your home when traveling from downtown Bellevue as there are no new restrictions north of SE 16th or off of Bellevue Way. For those households that live at the south end of Bellecrest south of SE 16th St, you can travel south on Bellevue Way to eastbound SE 16th St to southbound 108th Ave SE (D). Alternatively, you can travel to the Bellevue Way and 108th Ave SE intersection and turn onto northbound 108th Ave SE.

How do I access my home in Enatai and Beaux Arts Village?

Likely how you normally did before the restriction. Off Bellevue Way, you can use 104th Ave SE (A), SE 16th St (B), 107th Ave SE (C), SE 16th St to 108th Ave SE (D), or 108th Ave SE (E). The restrictions will essentially inhibit your ability to get to Enatai and Beaux Arts Village via 108th Ave SE north of Bellevue Way.
